

Mad World (Klima-Version)

(Original von Tears for Fears; umgedichtet von Bendix Vogel)

Akkorde für Gitarre mit Capo im 3. Bund

<p>Am C G D Am C G D Am C G D Am C G D</p>	<p>Every day we see the same old faces, worn out places, worn out phrases. When they talk about the climate crisis doing nothing, doing nothing – Their plans are full of compromises no decisions, no big visions We don't own the Earth, we've only borrowed from tomorrow, from tomorrow</p>
<p>Am D Am D Am D Am D :: Am D ::</p>	<p>And I find it kind of funny, I find it kind of sad. The measures we are taking are actually really bad. For decades we have known that the climate's gonna change. But people still ignore it, it's a very, very ... Mad world ... mad world</p>
<p>Am C G D Am C G D Am C G D Am C G D</p>	<p>Children realize that something's wrong there, happy school strike, happy school strike They know climate change is very unfair, someone's profits are other's losses, Those who caused it are the least affected, well connected, well protected, Those who suffer most have little choices, unheard voices, unheard voices.</p>
<p>Am D Am D Am D Am D :: Am D ::⁴</p>	<p>For most people it's not funny and thing's are getting rough The measures we are taking are really not enough. I find it hard to tell them that we are much too slow in cutting our emissions – It's a very very :: Mad world ... mad world ::</p>
